

The Alamo School Education Fund looks to bridge the gap between public funding and the funding necessary to provide all of the resources and activities at our school. We receive money back directly from these retailers if you use the special promo code, select our school or start your shopping trip using a special link at no extra cost to you! Consider inviting grandparents, alumni, family, neighbors and friends to shop this way. Just make sure to connect to the Alamo School Education Fund or Alamo School (*in Alamo, CA*) to ensure the money back goes to the correct school. Embedded links include a code or school name if it is not separately listed.

FlipGive

Shop or buy gift cards at various retailers and a % comes back to Alamo. Use the link and give back with or without signing up.
