Y-Kids Child Care At Alamo Elementary School

PLAY LEARN GROW

At the YMCA, we offer high quality childcare that is affordable and conveniently located on school campuses. Parents can go to work knowing their children are in a safe and stimulating environment. Our licensed child care centers are family oriented and values based. We nurture children's healthy development and academic potential in a fun and enriching manner! We hire an experienced and enthusiastic staff team to help us provide a safe, active and enjoyable program for all involved. All staff are trained to work with children in a before and after school care environment, as well as trained in CPR/First Aid & Child Abuse Prevention. Criminal background checks and reference checks have been conducted on all staff. To ensure each child is supervised and cared for appropriately, the YMCA upholds a staff to child ratio for all programs.
